Dear Parent

Greetings!

Kindness in words creates confidence Kindness in thinking creates profoundness Kindness in giving creates love.

Social work is an integral part of our school education. It involves various social service activities which aim at developing compassion and helping attitude in children towards others.

The State of Kerala has been affected by floods disastrously. Heavy rains and the subsequent flooding in Kerala have wreaked havoc in several parts of the state. Several people have even been marooned in their own houses, without food, water, electricity and other basic supplies.

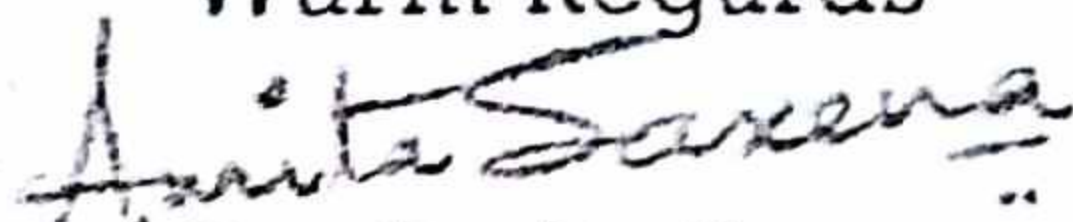

Continuing with our endeavour under V – Care social services, we plan to send some help to the flood victims. We request you to join hands with us in this noble endeavour. You are requested to contribute generously to the cause and be a part of rebuilding God's own country. Your contribution must reach school latest by Wednesday, August 29, 2018, so that it can be dispatched timely.

You could send the following relief material neatly packed and labeled (student's name , Class & Section).

1. Non perishable food items and water bottles.
2. Medicines – antiseptics, analgesics, pain killers etc. (after checking their expiry dates.)
3. Toiletries, bedsheets, towels, etc.

Looking forward to your kind co-operation.

Warm Regards

Dr. Amita Saxena

Principal
