ASSIGNMENT FOR SUMMER HOLIDAYS
CLASS :PRE-PRIMARY

Dear Parents,

Creative activities help us acknowledge and celebrate our own uniqueness and diversity

The academic session 2022-23 has started in full swing and students have settled well in their new classes. After a gap of nearly two years children are thoroughly enjoying school life once more.

Now with the summer temperatures soaring high, children look forward to vacation time when they can relax, visit friends and family, travel to see places and enjoy those little pleasures of life which get neglected during the busy school routine. The summer vacations commence from 23rd of May and school will re-open on 4th of July 2022.

To ensure that the children have a constructive holiday, some Holiday Homework & Projects are being given which will keep the child active and involved. These projects can easily be done by the children and you could assist only where required. These will indeed provide an enjoyable learning experience. Holiday homework project has been designed keeping in mind learning objectives, purposeful activity and development of young learners.

All work presented should be done by the student himself/herself.

All work to be submitted by July 7 ,2022.

The school office will remain open on all working days between 9.00 am to 2.00 pm during the summer vacation.

Wishing all of you a relaxing, joyful break filled with memorable times with your children.

Warm Regards
Ms Rachna Jain
(Principal)
